Remember these faces. They belong to The Bravest.

They are the members of the Fire Department who charged toward the calamity at the World Trade Center and didn't make it back.

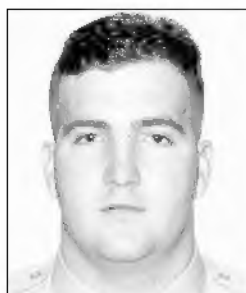

Thirty-four are confirmed to have perished in the terrorist attack; their bodies have been recovered. But 309 remain lost in the ruins of the collapsed towers.

Remember these faces. And remember the courage behind them.

## Faces of the PA police

These are the brave officers who stood on New York's front lines against terrorism.

They guarded the airports. They guarded the passageways into the city. They guarded the World Trade Center. And now, they are gone.

Four Port Authority police officers are confirmed killed in the twin towers attack. Thirty-three remain lost in the ruins.

Remember them all.

#### THE TOWERS

The loss of the twin 110-story towers, the World Trade Center, collapsed, from the time of the first jet attack to the disappearance of the towers was just one hour and 45 minutes. It took seven years (1986-93) to create the two buildings. By one estimate, it would cost nearly \$1 billion to replace the towers. No amount of money can replace the towers.

A close-up photograph of the nose of a white aircraft. The words "LORD HELP US! PLEASE AMEN" are handwritten in black marker on the fuselage. The aircraft is flying over a landscape with a body of water and some buildings visible in the distance. The image has a slightly grainy, high-contrast quality.

## The Policeman's Prayer

St. Michael, Heaven's glorious  
Commissioner of Police,  
so once so neatly and successfully  
cleared God's premises  
of all its undesirables,  
look with kindly  
and professional eye  
on your earthly force.

Give us cool heads,  
stout hearts, hard punches,  
an uncanny flair  
for investigation  
and wise judgment.

Make us the terror of burglars,  
the friend of children and law-abiding citizens,  
kind to strangers, polite to bores, strict  
with law-breakers and impervious to temptation.

You know, St. Michael, from your own  
experiences with the devil that the  
policeman's lot on Earth is not a happy one,  
but your sense of duty that so pleased God,  
your hard knocks that so surprised the devil  
and your angelic self-control give us inspiration.

And when we lay down our night sticks, enroll us in your  
Heavenly Force, where we will be as proud to guard the  
throne of God as we have been to guard the city of men. Amen.
